

WHITE LABELING

with leitzcloud

THE IMPORTANCE OF BRANDING

The significance of having a strong brand cannot be overstated, as it plays a critical role in the success of any company. A consistent and visually appealing branding strategy can instill trust and loyalty among customers, set you apart from your competitors and boost your brand recognition.

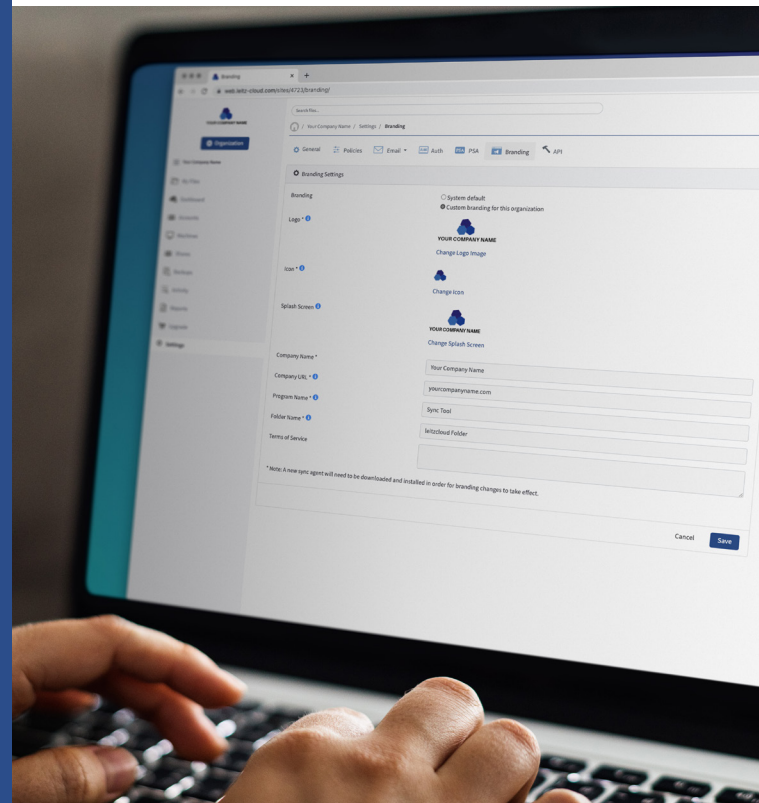

At leitzcloud, we believe that a strong and recognizable brand is a key factor in achieving long-term success. By partnering with us, you can rest assured that we deliver solutions that not only enhance your brand's identity but help you stand out in today's crowded marketplace.

WEB CLOUD BRANDING

If you want to personalise your cloud solution and present your brand in an appealing way, you can use leitzcloud's inclusive branding settings and integrate your own logo, icon and other branding elements.

With a well-thought-out branding strategy, you can ensure that your company is presented in a consistent manner, generating long-term trust with your customers and employees.

By using leitzcloud's free branding settings, you ensure that your branding is implemented professionally and effectively. We recognize the importance of maintaining a strong brand identity, which is why we provide tailored solutions to meet your specific needs.

1

CUSTOM SUBDOMAIN

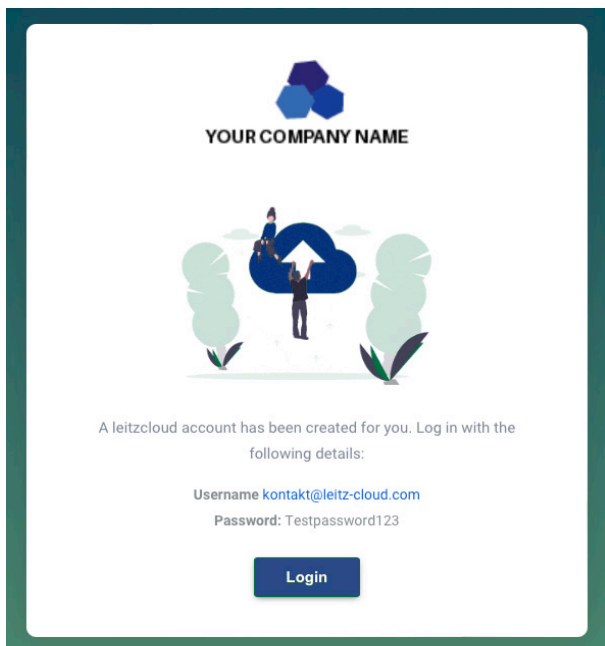

With a custom subdomain from leitzcloud, you can bring your brand even more into focus and offer your customers a more user-friendly experience for just €250 one time. With a custom subdomain, your cloud solution will be directly associated with your company, creating a consistent and professional appearance.

Choose leitzcloud and create a **personalised subdomain** with which you can log into the cloud!

Your new URL for the cloud is:

companyname.leitz-cloud.com

2

3

CUSTOM LOGIN

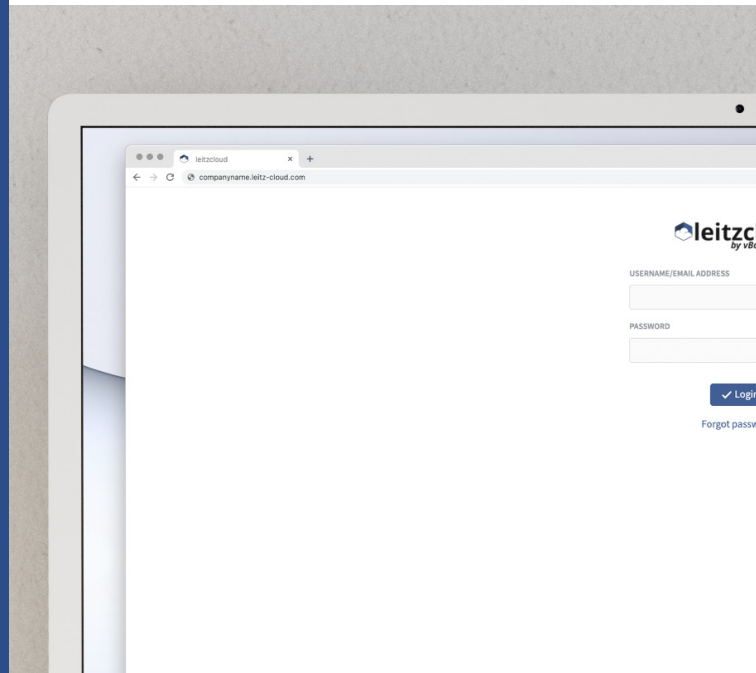

Choose a custom login from leitzcloud and receive an individual cloud solution that seamlessly integrates into your branding, for a one-time surcharge of 250€. Engage your clients and stakeholders with a professional and consistent brand identity!

1) Send us your desired **Logo**.

2) Tell us the **name** that should be under the logo.

3) Send us the desired **# Hex- or RGB colour code** for the button.

4) Send us a **background image** that is at least 960 x 640 pixels in size.

CUSTOM E-MAIL VORLAGEN

Customise your emails with your own branding and make a lasting impression on your customers - for only €250.

With a consistent design, colours and texts, you can strengthen your brand and optimise your marketing campaigns. Our experienced team at leitzcloud will be happy to support you in creating customised email templates with your company logo and in your corporate colours.

Simply contact us and tell us what you would like for your email templates. We will take care of the rest!
